Park stroll adventure

schleich Park stroll adventure:

Kim and her beautiful white poodle love being outside together. Right now, Kim has her loyal dog on a leash and is taking him for a walk in the park. He’s watching the stick in her hand very closely—when will she finally throw it? After they play, she'll give him a delicious bone as a treat!

As soon as Kim picks up the leash, her beautiful white poodle comes running. He knows exactly what that means: it’s time to head to the park! Along the way, Kim picks up a stick and throws it for her four-legged friend. Ears flapping in the wind, he immediately chases after it, then proudly brings his trophy back to Kim. They repeat the ritual a few more times, and he gets a delicious bone as a reward. It’s a dog’s life!
